

Dos FC introduces Boys Premier Soccer Program

Beginning with this upcoming 2009 – 2010 soccer season, Dos FC will not only have a new name we will also have an *entire boys soccer program*. This boy's soccer program will compliment our current successful girl's soccer program.

All of our teams participate in the highest, most competitive level of soccer available in the state, the PDL (Player Development League) The PDL provides a structured development program for youth soccer players in the State of Washington. The PDL mission is to play "like vs like" teams in competitive leagues among clubs that consistently demonstrate the ability to develop Championship Cup caliber teams, ODP players and a commitment to appropriate development philosophies for youth. The PDL is an organization that promotes soccer at the highest level available within our state. Selected clubs must pass rigid standards to be accepted into this premier organization of soccer clubs and re-qualify each year.

Our inclusion into the PDL allows our Dos FC players to compete against the best and highest competition available within our state – *a privilege only granted to a select group of clubs.*

The highest level of soccer, participation and training, is now available in South King County. Our local boy's soccer players can now stay within their community and play soccer at a level never experienced before.

In addition, our club board has committed to the continued reduction of player fees. It is extremely important to make the highest level of soccer affordable within our community. All players and parents will also have exposure to:

VSI (Varsity Sports Institute) – College placement assistance to aid in your son's or daughter's growth after playing with Dos FC. Direction on scholarship and financial aid along with ACT / SAT test prep

Club Physical Therapist – Medical education to aid in the knowledge and prevention of injuries.

Speed Training – Development of player core strengths

Licensed Coaches – All club coaches will be licensed with state or national certification. These coaches will follow the club Player Development Guidelines for boys and girls from U-10 to U-18

Exposure – the club wants to provide a "pipeline" of exposure to many major college coaches

Quality Training Facilities – Important in the development of premier soccer players.

Dos FC Scholarship Fund - Scholarships available for exiting Dos FC players during their senior year of High School.

Dos FC Gives Back Program – We impact our community! Ten percent of all fundraising monies raised are donated to selected charities within our communities.

Dos FC Buy Back Program – We understand that changes must occur for optimal player development. Dos FC will purchase back your old uniform from your old club and replace with a new Dos FC uniform – **free of charge !** (currently available for Red team members only)

Come play with the best players in the state – come experience Dos FC, a premier soccer club for both girls and boys. The “Dos FC Family” is just that – a family friendly and supportive atmosphere. We value our parents and their thoughts – this is an organization for the kids and what we can do to impact their lives. Dos FC is not just about playing soccer – it’s a life experience!
